HOW WE DEVELOPED OUR ENDORSEMENTS:

CAIR Action's positions are based on a careful and transparent evaluation process rooted in our values of justice, equality, and human dignity. Candidates were considered through three primary methods:

- **Questionnaires:** Many candidates completed our detailed CAIR Action Questionnaire, which asked about key issues such as civil rights, foreign policy, and community empowerment.
- **Research:** We conducted thorough research into voting records, public statements, and policy positions.
- **Consultation:** We vetted each candidate with trusted community leaders and advocates to ensure our endorsements reflect the priorities of Muslim and allied communities across the country.

Through this process, we aim to help voters identify candidates who not only speak to our values—but act on them.

Each election has far-reaching consequences, especially in state and local races that could be decided by just a few votes. Your vote is a powerful tool in shaping a future grounded in justice, peace, and equality for all. Use this guide to cast an informed vote that reflects your values, and stand up for a world where human rights are upheld, from Gaza to your local community.

Together, we can build a future that reflects our shared values of justice, compassion, and equality.
